If you are a new Customer to BWA Managed Investments you will need to provide ID documents to prove your identity.

Your identity is unique and worth protecting. This is why we make a point of getting to know our customers – even before they open an account.

We have good reason for doing this. Criminals and terrorists often try to launder money by opening accounts using false identity details. By providing us with the information we need, you will be helping us to make sure that we know exactly who we are dealing with and ultimately, to comply with stringent money laundering legislation. You can visit your local Bankwest Customer Service Centre in person to be identified or alternatively obtain certified copies of your identification documents and return them with your application.

Certifying your documents

Incorrect certification of documents is one of the main reasons for delays in getting accounts up and running. This checklist will take you through exactly how your documents have to be certified.

All documents you supply must be:

- Certified in English
- The date of certification must be no older than 3 months ago
- The 'original' certified copy (we will not accept copies of a copy) as signed by the Certifier

Who can certify?

The person who certifies your documents must be independent of your application and from one of the following professions:

1. a person who is enrolled on the roll of the Supreme Court of a State or Territory, or the High Court of Australia, as a legal practitioner (however described);
2. a judge of a court;
3. a magistrate;
